### From The East

Brethren,

Well it's official, I am Worshipful Master and I can't tell you how excited I am. I am really looking forward to serving you as such. I encourage all of you to attend our next meeting which is 2/8 where we will be laying some of the ground work for the year ahead of us. We are already off to a great start with lodge repairs and a little re-arranging. We are also actively working on ways to bring financial stability to our lodge while creating fellowship among us. I hope to see all of you supporting your Lodge throughout the year which can sometimes be accomplished by simply being among your Brethren.

Sincerely & Fraternally  
Jamie Dixon - W. M.

### From your Senior Warden

Brethren:

I would like to thank you all for having enough confidence in me to elect and install me as Senior Warden for this coming year. Worshipful Master Dixon has a lot of plans for this coming year, and I intend to help and support him to my fullest ability. I really think we are going to have a great and exciting year. I would really like to see more of the brothers in lodge this year. If there is anything I can do to assist you in traveling to lodge; please feel free to ask and I will make the necessary arrangements. A few of the brothers and I also plan on traveling to some of our other lodges this year. If you wish to accompany us let me know. Let's hit the ground running and have a wonderful year.

S & F,  
Jon C. Simpson, SW

### From your Junior Warden

Brethren,

I am very honored to be elected as our Junior Warden for 2012. I look forward to a very successful year and I will support our WM and SW in their endeavors of our lodge, the craft and our brethren. I want to thank the officers of 2011 and the brethren for all of our hard work and help around the lodge. Together we exemplify the ideals of Masonry and demonstrate the qualities of great men. Never forget your obligation and always whisper good counsel in the ear of your brothers.

I will do my best to keep everyone informed on the well being of our brethren and families. Please email or call me anytime you hear that a brother or family member is not doing well. For the spring of 2012, there will be a few meetings I will not be able to attend due to late class I have on Wednesday nights as I finish up my Master's degree at the University of Maryland. Therefore, I greatly appreciate the help of our Senior Deacon and any other brother who can fulfill the duties of JW during these meetings. Thank you again and always keep our brethren in your thoughts and prayers.  
S&F, Matt Baker – JW
